## BrightArrow's School-to-Parent Communication App

### Can I get Messages in a Language Other Than English?

By default, our system sends messages in English. However, we understand that not everyone prefers to read messages in English, so we've made it easy for you to change your language. Follow these steps to select your preferred language.

#### Step 1:

Log into ParentHub.

#### Step 2:

Click on the **Menu** at the bottom.

#### Step 3:

From the Menu click on **Settings**.

#### Step 4:

Click on **Language Preferences**.

#### Step 5:

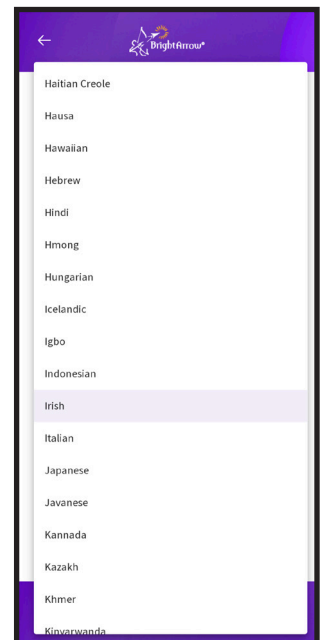

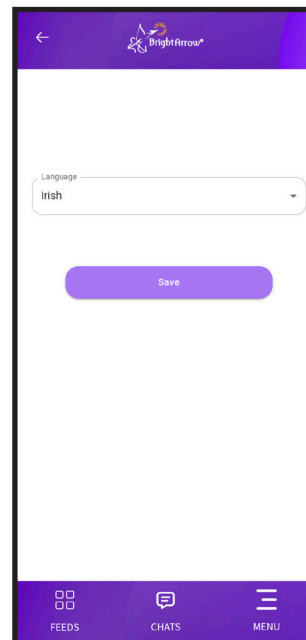

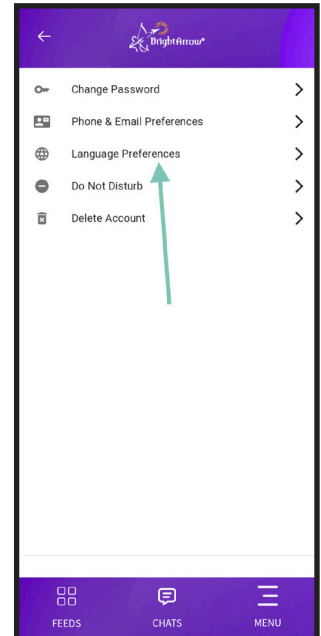

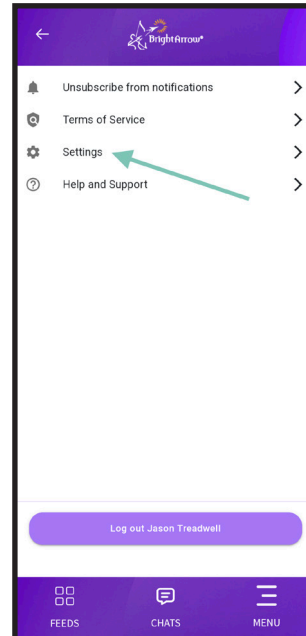

Your current language will be selected in the dropdown. Simply choose a different language from the list.

#### Step 6:

Click **Save**.

#### Step 7:

You will receive a confirmation that your changes have been saved.
