## BrightArrow's School-to-Parent Communiction App

## Create a ParentHub Account

Our system will link you to your data from your organization based on what has previously been sent to you. To get started:

Download the ParentHub application from the Apple App Store or Google Play Store.

**App Store**

**Google Play**

Click the **Sign Up** link at the bottom of the app.

Select the type of account that you will be using by clicking on **Parent/Student**.

Enter your name and phone number, then create a password.
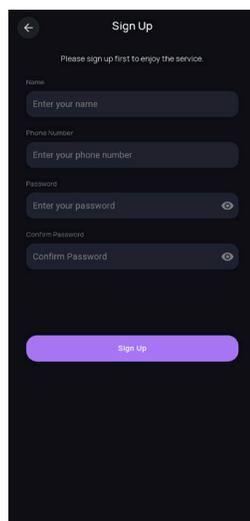

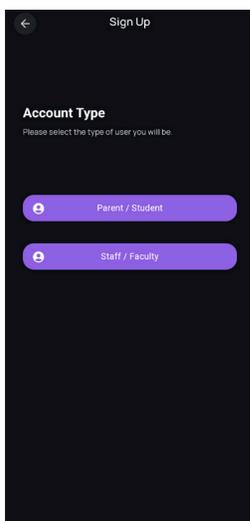

After creating your account, you can log in to view your messages.

Please note: If the app says your phone number is already linked to an account, you can log in with your previous account information or use the **"Forgot Password"** option to reset your password.
